Fall State 2018

Building Bridges: The Road to Compromise

On November 17-18, 2018, the Northern California Junior State of America will hold its annual Fall State Convention at the San Jose DoubleTree in San Jose, California. The Northern California student leaders hope you can join hundreds of other high school students and teachers from across California for an exciting educational experience at this weekend-long examination of the results and ramifications of the 2018 midterm elections and discussion of areas where the two main political parties can find compromise and middle ground moving forward to address the many critical, yet unresolved, issues facing the American public.

The largest of the three annual conventions, Fall State is the highlight of the fall semester and offers you a one-of-a-kind opportunity to express your opinions, think critically about your own beliefs, and challenge the views of others in a tolerant, supportive atmosphere. Through spirited debates, thought talks, a mock trial, political fair, nighttime activities, and a dance on Saturday night, you will have the chance to interact with hundreds of high school students from across Northern California and not only learn from each other, but also build friendships that will last long beyond your time in JSA.

At a time when party polarization in Congress and the media is near record highs, a significant percentage of this incoming generation of voters is more likely to identify as moderate than as liberal or conservative. Many of these future voters recognize there is a middle ground between the two political extremes on issues and believe more in solving problems and working together than scoring a quick soundbite in the news. As determining truth from fiction in politics becomes more difficult, it is more important than ever that this new generation of active citizens take pride in being informed voters who can debate, compromise, and think critically about controversial economic, social, domestic, and international issues that divide the American public, media, and elected representatives alike.

We hope you leave Fall State 2018 with a broader perspective and deeper understanding of how our country plans to move forward in the wake of one of the most consequential elections of our lifetime and are ready to push our democracy to be better, continue influencing our national dialogue, and remind those in our communities that finding middle ground is both possible and noble.

By being involved, we hope you can help build the bridge to a brighter future.

Over the last four years, Northern California JSA students, parents, family members, friends, and alumni have worked together to raise over $47,500 for the Northern California JSA Scholarship Fund to not only make it possible for hundreds of students to experience a Northern California JSA convention who would otherwise have been unable to attend because of economic constraints, but also help create new JSA chapters in Northern California.

Just last school year, because of the generosity of people like you, Northern California JSA was able to give more than 160 students over $13,000 in scholarship awards to help them attend a NorCal JSA convention, and use over $5,000 to help start eight new NorCal JSA chapters!

Unfortunately, that pace is unsustainable. Last year, we only received $12,600 in donations to the NorCal Scholarship Fund. We were lucky to begin last school year with a surplus, but if we want to continue being able to help every student who needs that assistance to get to conventions, and support new chapters trying to get off the ground, we need your help.

Would you please consider making a tax-deductible donation to the Northern California JSA Scholarship Fund to help Northern California students in need attend conventions and help support new JSA chapters trying to get off the ground?

Northern California JSA receives hundreds of scholarship applications each year, and the effect those convention scholarships have often reach far beyond what we ever knew at the time. From a NorCal Teacher/Advisor:

"Thank you so much for your generous donation to JSA. You have made it possible for one of my students to not only attend the JSA Spring Convention, but stay in school. ******* has led a difficult life and [their] passion is changing the criminal justice system. This singular focus has made the regular high school experience irrelevant in [their] mind. When [they] started to come to JSA meetings, [they] found a reason to come to school; it gives [them] purpose. Without your help, [they] would never have the opportunity to come to the convention where [they] truly find success. Your kindness and generosity are truly appreciated."

The Northern California JSA Scholarship Fund is frequently the only way we can help students in need attend our conventions. We want every student, no matter the economic realities they face, to have the chance to voice their opinions, grow in confidence, and become more active, educated citizens in our democracy. In the words of one JSAer:

"Thanks for much for your donation to JSA. Because of you, I was able to attend this amazing conference. I met so many amazing people, learned new things, and broadened my horizons. I learned not only how to voice my opinions, but also how to be compassionate and listen to others who have different opinions than me. JSA has made me more confident in public speaking, pushed me to step out of my comfort zone, and bond with the people in my community. Once again, thank you so much for your donation and the amazing memories that you have allowed me to create."

Anything you can contribute to the Northern California JSA Scholarship Fund to help the students, families, and chapters who need that help most will go a long way:

- $25 pays for a start-up kit and all materials a new chapter needs to get off the ground
- $50 can reduce a student’s Fall State convention cost by almost ½
- $100 will provide a full scholarship to a student in need who attends a Title I school
- $250 can cover 80% of the cost for two students in need to attend Fall State
- $500 can send five students attending a Title I school to Fall State
- $750 can start a brand new JSA chapter

You can donate to the Northern California Scholarship Fund either by donating online at fundraiser.jsa.org/NorthernCaliforniaState or sending a check made out to JSA along with your Fall State payment (noting the check is for the Northern California Scholarship Fund). 100% of your donation will go to help NorCal JSA students in need.

- If you send a donation as part of your student’s Fall State payment, please note your donation on the Student Permission and Registration Form. Receipts will be sent upon receiving the chapter’s Fall State payment.

Thank you for your time, and for your generosity. The entire Northern California JSA community, especially the Northern California students and chapters in need, greatly appreciate your help.

Sincerely,

Oliver Soglin

**JSA FALL STATE ACTIVITIES**

---

**Debates**
Debates serve as the cornerstone of the Junior State by giving delegates a forum to express their views in an orderly fashion, while promoting a clash of ideas that leads to deeper understanding of controversial issues. Using parliamentary debate style, delegates develop political awareness, attitudes, and public speaking skills through participation.

JSA debates center around “resolutions” that outline the issue being discussed. For example, “Resolved, Social Security should be privatized”. Debates begin with six-minute opening speeches by the main affirmative and negative speakers. These two debaters are selected prior to the convention; they research and prepare their arguments beforehand. A pre-selected student moderator guides the action following the opening speeches, where any student in the audience may volunteer for three-minute subsequent speeches in support of either side.

Students vote for a “Best Speaker” at the end of each debate. The main focus of JSA debate is, however, on persuading the audience and imparting a greater understanding of the issues involved, rather than competition between speakers.

**Thought Talks**
Thought talks are student-led discussions on pressing issues or questions. These activities don’t have the formal structure of a debate and allow students to explore issues in-depth, in a less confrontational setting. A moderator guides the participants by posing questions and offering facts about the topic; however, students will have an open opportunity to express their thoughts and let their comments take the discussion in many different directions. No main speakers are chosen for Thought Talks, and no awards are given. This pressure-free atmosphere engages students very differently than debates and helps students gain confidence with their public speaking skills.

**Keynote Speakers and Political Fairs**
Distinguished politicians, statespersons, journalists, and public policy experts across the political spectrum are invited to address JSA conventions. Delegates gather for opening and closing sessions where these high-profile speakers address the students and answer their questions. JSA members have met and posed questions to key personalities from across the entire political spectrum.

In addition, some conventions feature Political Fairs that enable students to meet representatives of lobbying and political groups and get to ask questions regarding their policies and views. In recent years, our Political Fairs have included groups like the National Rifle Association & Handgun Control Inc., NARAL Pro-Choice America, & the National Right to Life Organization, the Republican, Democratic, Green, Libertarian, and other political parties.

**Social Activities**
JSA conventions combine the intellectual stimulation of intense political dialogue with some activities in the evenings after dinner time that are just plain fun. Students get a chance to relax in less formal settings including dances, quiz bowl, impromptu debates, and relax with their friends at a JSA Lounge, among other activities. JSA conventions let students meet others with similar interests and diverse talents which helps them build a life-long network of friends.

**Other Activities**
Mock trials allow delegates to explore our nation’s judicial system and examine how legal and constitutional controversies are resolved in the United States. Crisis simulations and problem scenarios help students grapple with how to handle and resolve challenging situations. These and various other political seminars give students a wide-range of ways to get involved.
### JSA Debates

**Debate Procedure**

1. Pro Opening Speech, 6 minutes
2. Con Opening Speech, 6 minutes
3. Subsequent Pro Speech, 3 minutes
4. Subsequent Con Speech, 3 minutes
5. More Subsequent Pro and Con Speeches
6. Move to Previous Question
7. Con Closing Speech, 3 minutes
8. Pro Closing Speech, 3 minutes
9. Vote on Resolution
10. Best Speaker Ballots

**Example Debate Styles**

- **Traditional "Resolved" Debate:** Follows the above procedure.
- **National Resolved Debate:** A traditional JSA debate, however, the topic is being used across the nation by all JSA states.
- **Thought Talk:** Moderated open discussion of the topic. Best speaker is also recorded here.
- **National Thought Talk:** A traditional thought talk, however it is a topic being used across the nation by all JSA states.
- **Novice Debate:** Same as traditional debates, but specialized for inexperienced members.
- **Switch Debate:** At the moderator's discretion, the speakers must switch their stance on the debate and argue for the other side.
- **Devil's Advocate Debate:** Students sign up for a specific debate resolution not knowing which side they will argue until the debate is assigned. The students must argue persuasively for the side they are assigned, whether they agree with it or not.
- **Taboo Debate:** Speakers have a list of words/phrases they are forbidden from saying during the debate (and their speech ends immediately if they say one).
- **Time Travel Debate:** Speakers debate as though they were doing so at a specific point in time (e.g. 1945: Should the US use the Atomic Bomb?).
- **Literary/Fictional Debate:** Debate about a literary topic (e.g. Romanticizing Romeo and Juliet).
- **Cross Examination:** Allows for a more direct style of debate. The main speakers begin by each giving three-minute speeches. Then the pro speakers cross examine the con for three minutes, followed by a three-minute examination of the pro speaker by the con speaker. Closing speeches are three-minute uninterrupted speeches.
- **Speed Chess:** Allows for a more direct response and argument between speakers. The affirmative starts and may use as much time as they wish. When they are done, they hit the table with their gavel, and immediately their opponent's time starts. When the negative wants to hand it back over to the affirmative, they hit their own gavel on the table. This continues until each speaker runs out of time. The closing speeches, however, are not in Speed Chess format.
- **Foreign Language Debate:** Debate done entirely in a foreign language (e.g. Debate in Spanish about Catalonia, or in Armenian about Turkey).
- **Crisis Scenario:** Put yourself into the shoes of a world leader. It's time for you to change the course of history by calling the shots. Speeches are given in the same format as a traditional debate, but instead of debating an issue, you debate a crucial decision that likely changed the course of history.

**Approval:** Check with your Principal, Vice-Principal, or Activities Director to find out what you need to receive school approval. Do this in advance to allow time for obtaining approval.

**Questions:** Please do not hesitate to call or email the Northern California Program Director, Dan Hess at (650) 393-7644 or at dhess@jsa.org if you have questions or run into any problems.

**Delegation:** When looking for students to join your delegation to Fall State, you should approach politically aware students. Students involved in JSA, Forensics, Mock Trial, Model UN, student government, your school’s newspaper, the speech and debate team, and honor society members might all have an interest in attending. History, government, and social studies teachers may even wish to send their entire class.

Chapters are expected to screen prospective delegates. You are responsible for the delegates you bring, so select them carefully. Convention attendance is a privilege, not a right. Teachers should only bring delegates who have a history of good conduct and who have demonstrated their serious interest by attending chapter meetings.

Delegates must attend all convention activities. Those not participating in scheduled convention activities will be sent home. We strongly recommend that each chapter have a pre-convention meeting with students and parents to go over convention rules, debates, and travel plans.

No student visitors are allowed in the hotel. Delegates who associate with non-registered students will be sent home. You have a responsibility to inform other students at your school that the convention is for registered students only, and the chapter will be in serious trouble if others drop by. If chapter members associate with non-registered students, The Junior State of America Foundation reserves the right to send the entire chapter home. Nametags will be checked at the dance and at other activities.

**Registration:** You are responsible for organizing and submitting your chapter’s registration in an efficient and timely fashion. Bringing a chapter to a JSA convention takes considerable preparation and often includes receiving school approval for the convention, arranging transportation, and gathering and submitting all the required registration materials before the registration deadline. It can take weeks to get everything organized and finalized, so start planning now! Be aware of both school and school district deadlines!

Putting a JSA convention together is also a large and complex task that takes JSA months to coordinate—especially when it comes to reserving hotel space and rooms. Please register on time and in full. If your registration is not submitted before October 23rd deadline, JSA will likely have to house students based on available space, rather than by your requested rooming list. Contact the Northern California Program Director Dan Hess at dhess@jsa.org if you think you might be delayed in submitting your registration.

A few things to keep in mind while registering your chapter:

- Accuracy is important—the names registered are used to create official name tags and are double checked against your submitted room lists, so please make sure names are spelled correctly and email addresses and other contact information are correct.

- JSA houses four students to a room with two double beds. If a chapter has fewer than four students assigned to a room, students from another school may be added.

- Elected and appointed JSA student officers (approved by the Program Director) who have been invited one day early and stay in a room with other JSA student officers must get the approval of their Teacher/Advisor(s) to do so and should still be listed in their school’s chapter registration.

- Because JSA must make guarantees to the hotel far in advance of the convention, JSA cannot decrease the number of students registered from your chapter, or offer refunds to the school or any student, regardless of reason, after October 23rd, 2018.

- If a student drops after the registration deadline, the student and chapter is responsible for the that cost. Any student who finds themselves unable to attend after the registration deadline is encouraged to find another student to go in their place and reimburse them the cost.
Fundraising: JSA encourages every chapter to fundraise to lower convention prices for their members. Many chapters sponsor fundraisers like car washes, food sales, and garage or yard sales, while others write local businesses and service organizations. For more fundraising ideas, contact any elected official or student leader, the Northern California Program Director, or download the Fundraising Manual at www.jsa.org/downloads. The key to any successful fundraising campaign is starting early, so discuss fundraising plans right away!

JSA also provides an effective online fundraising application that allows chapters to raise money online as a team. Visit the “Chapters” section under “About JSA” and click on “Fundraising for Your Chapter” on the navigation bar on the right or visit http://jsa.org/about/chapters/fundraising-for-your-chapter/.

Scholarships: The Northern California Junior State is pleased to offer scholarships to help students in need attend our overnight conventions. Students who would like to apply for a Fall State scholarship, please go to https://jsa.wufoo.com/forms/norcal-fall-state-scholarship-application/ and fill out the scholarship application. Applications will be reviewed on a rolling basis beginning August 27th. Applicants and their Teacher/Advisors will be notified of the scholarship awarded within a week of submission.

Register online at www.jsa.org/MyJSA

Early Registration Deadline: October 12th

Final Registration Deadline: October 23rd
**TEACHER/ADVISOR CONVENTION RESPONSIBILITY FORM**

The Junior State of America sincerely thank you for accompanying your chapter to the upcoming convention. We appreciate your dedication to furthering the goals of JSA and to increasing the political awareness of today’s youth. Without your help, students would not be able to attend conventions like these and would miss an opportunity to debate and discuss controversial issues, learn more about the democratic process, and develop leadership skills.

Outlined below are mandatory responsibilities of Teacher/Advisors at a Junior State convention. Please review them and send in this form, signed, with your chapter’s registration materials. Ultimately, you are responsible for the students in your chapter so please check with your administration regarding rules pertaining to school trips.

1. **BE PRESENT.** In compliance with school or school district rules, Teacher/Advisors must be present onsite and readily available throughout the entirety of the convention to accompany students and keep students on track and motivated. Please make sure to bring contact information for all students and establish a way students can get in touch during the convention by cell phone and/or at specified locations and times.

2. **CHECK-IN.** Teacher/Advisors must be present with the student chapter leader at registration to check in the chapter. Teacher/Advisors will receive their students’ guest room keys for distribution in the afternoon.

3. **TEACHER/ADVISOR MEETING.** All adult chaperones MUST attend the mandatory Teacher/Advisor meeting with the Junior State staff to review convention logistics, convention and hotel rules, and receive important announcements for the weekend.

4. **CHAPTER CAUCUS.** After dinner, all students must check in with their Teacher/Advisor(s). Teacher/Advisors must take roll at the caucus and report any missing students to the Junior State staff. Teacher/Advisors should review the convention rules, curfew time, and morning checkout time with the students. All students must remain inside the hotel after the chapter caucus.

5. **NIGHTTIME ACTIVITIES SUPERVISION.** Teacher/Advisors must sign up for shifts in the evening to monitor hotel hallways, common areas, or nighttime activities including chaperoning the dance. Teacher/Advisors will receive instructions for signing up to supervise these areas and activities at the mandatory Teacher/Advisor meeting.
   a. JSA has adult supervisors on the floors in the evening to keep noise levels down and to discourage misconduct. Most Teacher/Advisors volunteer to patrol the floor that houses their own students. If witnessing students involved in any inappropriate conduct, do not hesitate to intervene. If uncomfortable dealing with students from other high schools, feel free to notify the Teacher/Advisor from that school or Junior State staff to take care of the situation. During the dance, Teacher/Advisors monitor the doors and check name tags to ensure ONLY JUNIOR STATE STUDENTS attend the dance.

6. **CURFEW -- ROOM CHECKS.** Teacher/Advisors must go to all of their students’ rooms at curfew and check that all their students are present. Students missing curfew may be sent home. Please pass along any announcements for the next day at this time.

7. **CHECKOUT.** All students must check out of their rooms by 9:00 a.m. Sunday morning. Luggage storage has been arranged. Teacher/Advisors should meet their students in the morning at 9:00 a.m. to collect their room keys and make sure that all students have checked out of their rooms. Teacher/Advisors may turn keys in at the Junior State registration table.

8. **MEDICAL EMERGENCIES/DISCIPLINARY ISSUES.** The Junior State staff at the convention will contact Teacher/Advisors if a member of their chapter has a serious medical issue or violates major convention rules. Teacher/Advisors will coordinate with the Junior State staff to arrange medical attention for students, notify parents/guardians and school officials if necessary, and send students home for serious rules violations. PLEASE REVIEW ALL THE CONVENTION RULES IN THIS PACKET AND DISCUSS THEM WITH STUDENTS BEFORE THE CONVENTION.

9. **MORAL AND EDUCATIONAL SUPPORT.** Teacher/Advisors can provide valuable moral support to students. If a student is a main participant of a debate, or is planning to make a subsequent speech, Teacher/Advisors can give them a boost just by attending their debate. Since many students use the time just prior to their debate to refine their argument, Teacher/Advisors can also provide educational assistance through providing advice or answering questions before a debate. Discussing a debate and their student’s performance after it is over can also help students understand any points they missed or clarify any misinformation.

I have reviewed the above responsibilities and agree to faithfully execute the duties required of me as a Teacher/Advisor at a Junior State Convention.

CONVENTION CHECKLIST

Use this convention checklist to help plan and get your chapter to Fall State. Remember, many of these steps take time so start planning early!

1. Get School Approval
   ___ Find out and follow the procedure for obtaining school approval for the trip. (START THIS NOW!!)
   ___ Give a copy of the convention flyer to the Student Activities Director.

2. Publicize
   ___ Pass out flyers to interested students. Tell everyone to take the flyer home and show their parents.
   ___ Distribute flyers to teachers who may know of other interested students.
   ___ Post flyers around campus. Write the name and email of a person for interested students to contact.

3. Register and Pay
   ___ Find out the procedure for obtaining a school check or purchase order for the entire chapter's registration cost. If the school cannot do this, a Teacher/Advisor or parent can write the check. If this occurs, tell chapter members to whom they should make their checks payable. JSA cannot accept individual checks from every student.
   ___ Put the cost you are charging for Fall State on the Student Permission and Registration Form and pass out registration packets to all interested students. If they don't already, have them create MyJSA accounts.
   ___ Set a deadline for returning registration checks and permission forms. This deadline should be at least ONE FULL WEEK before the October 12th early registration deadline. Please review all forms for accuracy and completion prior to submittal!
   ___ Collect registration and permission forms. Make sure every student has gone over the permission forms with their parents and has returned their permission form signed.
   ___ Collect checks, process them with the school, Teacher/Advisor, or parent, and obtain one inclusive check for all registration costs and membership dues (for students who have not already paid dues for the 2018-2019 school year).
   ___ Register your chapter at MyJSA. (See next page.)
   ___ Scan and send, or make copies and mail, the chapter registration form, payment, student permission forms and Teacher/Advisor Responsibility Form to the JSA office. Make a copy of each and keep one for the Chapter President and one for the Teacher/Advisor. Make sure registration materials are submitted by then registration deadline.

4. Arrange Transportation
   ___ Determine how the chapter will travel to the hotel.
   ___ If the chapter is large enough, arranging a bus through the school district or an outside bus company may be necessary. If doing this, START EARLY. The process could take a few weeks.
   ___ If the chapter decides to carpool, make sure to find enough Teacher/Advisor or parent drivers to accommodate the entire chapter. Remember: No students may drive cars to JSA conventions.
   ___ Set a time and place for everyone to meet before the convention and the estimated time of arrival for drop off after.

5. Have Pre-Convention Meetings
   ___ Invite all students, their parents, and Teacher/Advisors to a pre-convention meeting (scheduled during the late afternoon or evening if possible). Go over transportation, what to bring, the format of the convention, and the convention rules.
   ___ Discuss appropriate behavior and expectations during the convention.
   ___ Have another meeting for the chapter to debate or discuss one or more of the debate topics for the convention.

6. What to Bring With You to the Convention
   ___ A cell phone list of all students and a list of emergency telephone numbers for parents.
   ___ All balances must be paid before the convention, but in the event the chapter has any outstanding convention charges, contact the Northern California Program Director Dan Hess at (650) 393-7644 and make payment arrangements.

Payment Options

School Check: ONE inclusive check to the Junior State of America from the school. If the school cannot process the check before the deadline, please send documentation (i.e. purchase order) showing you have arranged with the school to send the check, plus a school guarantee that payment will be received before the convention.

Personal Check: ONE inclusive check to the Junior State of America from a parent or Teacher/Advisor (students pay them).

Purchase Order: A school purchase order (must be payable within 30 days of the registration deadline).

Credit Card: JSA will accept credit card payments for registration by phone or online. If you would like to pay by credit card online, please contact Dan Hess, the Northern California Program Director.
The following step-by-step guide walks you through the online registration process. If you run into any problems, or if you have any questions, please do not hesitate to contact the Northern California Program Director Dan Hess by phone at (650) 393-7644 or by email at dhess@jsa.org.

Step 1: Log into MyJSA. Go to the “My Events” tab, and under “Register for a New Event” select “Fall State” and then click “Start registration”.

- This will create a new event on the My Events page. Click on the link and select the student chapter leader and primary attending Teacher/Advisor. Please do this as soon as the chapter has permission to attend (even before knowing how many students will attend), as this helps JSA plan attendance.
  - Please note: If you have a “My Chapter” tab but you do not see a registration option under "My Events”, contact the JSA office at (800) 334-5353 or email jsa@jsa.org and a staff member will add this option to your account.

Step 2: Update the chapter roster.

- Make sure new and returning chapter members are listed under the chapter’s membership roster in the JSA database. Ask all new and returning members to create or update their MyJSA account at jsa.org/MyJSA.
  - Suggestion: Bring a laptop to the first few meetings and have members create or update their MyJSA accounts.

Step 3: Collect registration forms, permission forms, and payment.

- During September and October, collect Fall State registration forms, permission forms, and payments from all members who will attend the convention.
  - Suggestion: Use a spreadsheet to keep track of who has paid and/or submitted the registration forms.

Step 4: Create a rooming list.

- Once a list of members attending is finalized, create a rooming list putting all male students in one set of rooms and female students in another.
  - Please note: Please try to put three to four students in each room. If you have a room with fewer than four students, students from another school may be added if that space is needed. You would be notified in advance if there is a high probability of this happening to any of your chapter’s rooms.

Step 5: Complete and submit your chapter registration.

- The online registration form will ask for the information you have assembled, namely, the students and Teacher/Advisors for your group and your rooming list. Once all the information is entered correctly, click “Submit.”
  - Please note: You select all students and Teacher/Advisors from the chapter roster, so please make sure the roster is complete and updated as described in Step 3.

Step 6: Review the preliminary invoice, confirm your registration, and arrange to pay before the convention.

- Dan Hess, the Northern California Program Director, will send you a preliminary invoice showing the total amount due and a list of students and Teacher/Advisors attending. After you review this and confirm your registration, Dan will send you a final invoice.
  - Please note: Review the payment options and arrange to pay before the convention.

Step 7: Send in your chapter’s convention payment (including membership dues if applicable), signed student permission forms, signed Teacher/Advisor Responsibility Form(s), and any donations to the Northern California Scholarship Fund to the JSA office in Burlingame.

  - Please note: If paying for the convention by credit card, please contact the Northern California Program Director to ensure you’ve received the correct link to pay online or feel free to call the JSA office and supply the credit card information over the phone.
