Fall State 2018

*Building Bridges: The Road to Compromise*

On October 27-28, 2018, the Northern California Junior State of America will hold its annual Fall State Convention at the Fort Lauderdale Marriott in Fort Lauderdale, FL. The Southeast student leaders hope you can join hundreds of other students and teachers from across California for an exciting educational experience at this weekend-long examination of the growing lack of trust and apathy among the youth of Generation Z and what can be done to fix it.

One of the most pressing issues of modern American politics is the increasing political divisions which has intensified over the last 50 years. While elected leaders demonstrate unwillingness to compromise, JSA delegates come together, across ideological differences, to discuss a variety of issues facing our nation and the world. It is absolutely crucial that future voters have confidence about what they believe and the principles on which they stand. The development of a new generation of active citizens who can debate, compromise, and think critically about controversial economic, social, domestic, and international policies is more important than ever. At Fall State, debate resolutions will investigate factions of society — from political parties to rural constituencies to activist movements — and aim to inspire empathy and understanding. By bringing together large groups of students with diverse opinions and perspectives, JSA students learn how to approach problems with open-mindedness and practical solutions.

The first of the three annual conventions, Fall State is the highlight of the fall semester. Through engaging in spirited debates, thought talks, and other activities, Fall State not only offers the opportunity to meet students from other schools throughout the Midwest, but also the opportunity to think critically, express your opinions, and challenge the opinions of others in a tolerant, supportive atmosphere. You will also have the opportunity to meet students from other schools throughout the Midwest through a variety of other events, including nighttime activities and a dance on Saturday night.

We hope you leave Fall State 2018 ready to lead the charge by participating, pushing our democracy to be better, and fighting the apathetic stereotype of youth. By being involved, we hope you can help chart the path to a brighter future.

This registration packet has everything you need to register and prepare for Fall State.

If you have any questions or encounter any problems, please do not hesitate to call or email the Southeast Program Director Tracy Getselman at (202) 591-3722 or at tgetselman@jsa.org.

See you in October at Fall State!

Southeast JSA is very fortunate to have a scholarship fund that helps students and families in need afford the cost of our overnight conventions and helps new chapters get started. Since its inception in 2013, the Southeast Scholarship Fund has helped hundreds of students in need experience a Southeast JSA convention who would otherwise have been unable to attend because of economic constraints.

Unfortunately, the funds we have are limited, and frequently, even with the help we can offer, many Southeast students still can’t afford to attend conventions and we have little left over to help build new chapters. Not only does this deny many students the chance to discuss critical issues facing our country and world with their peers, it also denies the students who can attend the opportunity to hear those valuable perspectives.

Would you please consider making a tax-deductible donation to the Southeast Scholarship Fund to help Southeast students and families in need attend conventions and also help build JSA chapters at new schools?

Southeast JSA receives hundreds of convention scholarship applications each year, and the reasons why students need help vary and are often extraordinarily heartbreaking. This is but one example:

"I was recently placed into foster care due to domestic issues with my biological parents. I am in my *** year of high-school and trying my best to achieve my full academic potential. I basically have nothing in my possession except a few articles of clothing. I really need this scholarship and I would be really grateful if it was granted to me."

The Southeast Scholarship Fund is frequently the only way we can help students in need attend our conventions. We want every student, no matter the economic realities they face, to have the chance to voice their opinions and participate in our democracy. In the words of one JSAer, "JSA has taught me to be a good citizen, strong public speaker and a true friend. Without the support of this program and the people in it, I would not be the person I am today."

Anything you can contribute to the Southeast Scholarship Fund to help the students, families, and chapters who need that help most will go a long way:

- **$25** pays for a start-up kit and all materials a new chapter needs to get off the ground
- **$50** can reduce a student’s Spring State convention cost by almost ⅓
- **$100** will provide a full scholarship for a student in need who attends a Title I school
- **$250** can cover almost 80% of the cost for two students in need to attend Spring State
- **$500** can send five students trying to start a JSA chapter to Spring State
- **$1,000** can start a new JSA chapter

You can donate to the Southeast Scholarship Fund either by sending a check made out to JSA along with your Spring State payment (noting the check is for the Southeast Scholarship Fund) or by donating online at fundraise.jsa.org/SoutheastState. 100% of your donation will go to help NorCal JSA students in need.

If you send in a check to JSA along with your student’s Spring State payment, please note your donation on the Student Permission and Registration Form. Receipts will be sent upon receiving the chapter’s Spring State payment.

Thank you for your time, and for your generosity. The entire Northern California JSA community, especially the Southeast students and chapters in need, greatly appreciate your help.

Debates
Debates serve as the cornerstone of the Junior State by giving delegates a forum to express their views in an orderly fashion, while promoting a clash of ideas that leads to deeper understanding of controversial issues. Using parliamentary debate style, delegates develop political awareness, attitudes, and public speaking skills through participation.

JSA debates center around “resolutions” that outline the issue being discussed. For example, “Resolved, Social Security should be privatized”. Debates begin with six-minute opening speeches by the main affirmative and negative speakers. These two debaters are selected prior to the convention; they research and prepare their arguments beforehand. A pre-selected student moderator guides the action following the opening speeches, where any student in the audience may volunteer for three-minute subsequent speeches in support of either side.

Students vote for a “Best Speaker” at the end of each debate. The main focus of JSA debate is, however, on persuading the audience and imparting a greater understanding of the issues involved, rather than competition between speakers.

Thought Talks
Thought talks are student-led discussions on pressing issues or questions. These activities don’t have the formal structure of a debate and allow students to explore issues in-depth, in a less confrontational setting. A moderator guides the participants by posing questions and offering facts about the topic; however, students will have an open opportunity to express their thoughts and let their comments take the discussion in many different directions. No main speakers are chosen for Thought Talks, and no awards are given. This pressure-free atmosphere engages students very differently than debates and helps students gain confidence with their public speaking skills.

Keynote Speakers and Political Fairs
Distinguished politicians, statespersons, journalists, and public policy experts across the political spectrum are invited to address JSA conventions. Delegates gather for opening and closing sessions where these high-profile speakers address the students and answer their questions. JSA members have met and posed questions to key personalities from across the entire political spectrum.

In addition, some conventions feature Political Fairs that enable students to meet representatives of lobbying and political groups and get to ask questions regarding their policies and views. In recent years, our Political Fairs have included groups like the National Rifle Association & Handgun Control Inc., NARAL Pro-Choice America, & the National Right to Life Organization, the Republican, Democratic, Green, Libertarian, and other political parties.

Social Activities
JSA conventions combine the intellectual stimulation of intense political dialogue with some activities in the evenings after dinner time that are just plain fun. Students get a chance to relax in less formal settings including dances, quiz bowl, impromptu debates, and relax with their friends at a JSA Lounge among others. JSA conventions let students meet others with similar interests and diverse talents which helps them build a life-long network of friends.

Other Activities
In addition to debates and thought talks, JSA conventions include a variety of other activities. Spring State conventions feature dramatic and exciting elections for Junior State offices. Mock trials allow delegates to explore our nation’s judicial system and examine how legal and constitutional controversies are resolved in the United States. Crisis simulations and problem scenarios help students grapple with how to handle and resolve challenging situations. These and various other political seminars give students a wide-range of ways to get involved.

INFORMATION FOR CHAPTER PRESIDENTS AND TEACHER/ADVISORS

Approval: Check with your Principal, Vice-Principal, or Activities Director to find out what you need to receive school approval. Do this in advance to allow time for obtaining approval.

Questions: Please do not hesitate to call or email the Southeast Program Director, Tracy Getselman at (202) 591-3722 or at tgetselman@jsa.org if you have questions or run into any problems.

Delegation: When looking for students to join your delegation to Spring State, you should approach politically aware students. Students involved in JSA, Forensics, Mock Trial, Model UN, student government, your school’s newspaper, the speech and debate team, and honor society members might all have an interest in attending. History, government, and social studies teachers may even wish to send their entire class.

Chapters are expected to screen prospective delegates. You are responsible for the delegates you bring, so select them carefully. Convention attendance is a privilege, not a right. Teachers should only bring delegates who have a history of good conduct and who have demonstrated their serious interest by attending chapter meetings.

Delegates must attend all convention activities. Those not participating in scheduled convention activities will be sent home. We strongly recommend that each chapter have a pre-convention meeting with students and parents to go over convention rules, debates, and travel plans.

No student visitors are allowed in the hotel. Delegates who associate with non-registered students will be sent home. You have a responsibility to inform other students at your school that the convention is for registered students only, and the chapter will be in serious trouble if others drop by. If chapter members associate with non-registered students, The Junior State of America Foundation reserves the right to send the entire chapter home. Nametags will be checked at the dance and at other activities.

Registration: You are responsible for organizing and submitting your chapter’s registration in an efficient and timely fashion. Bringing a chapter to a JSA convention takes considerable preparation and often includes receiving school approval for the convention, arranging transportation, and gathering and submitting all the required registration materials before the registration deadline. It can take weeks to get everything organized and finalized, so start planning now! Be aware of both school and school district deadlines!

Putting a JSA convention together is also a large and complex task that takes JSA months to coordinate – especially when it comes to reserving hotel space and rooms. Please register on time and in full. If your registration is not submitted before October 9th deadline, JSA will likely have to house students based on available space, rather than by your requested rooming list.

A few things to keep in mind while registering your chapter:

- Accuracy is important – the names registered are used to create official name tags and are double checked against your submitted room lists, so please make sure names are spelled correctly and email addresses and other contact information are correct.

- JSA houses four students to a room with two double beds. If a chapter has fewer than four students assigned to a room, students from another school may be added.
• Elected and appointed JSA student officers (approved by the Program Director) who have been invited one day early and stay in a room with other JSA student officers must get the approval of their Teacher/Advisor(s) to do so and should still be listed in their school’s chapter registration.

• Because JSA must make guarantees to the hotel far in advance of the convention, **JSA cannot decrease the number of students registered from your chapter, or offer refunds to the school or any student, regardless of reason, after your registration has been completed.**
  
  o If a student drops after the registration deadline, the student and chapter is responsible for the that cost. Any student who finds themselves unable to attend after the registration deadline is encouraged to find another student to go in their place and reimburse them the cost.

**Fundraising:** JSA encourages every chapter to fundraise to lower convention prices for their members. Many chapters sponsor fundraisers like car washes, food sales, and garage or yard sales, while others write local businesses and service organizations. For more fundraising ideas, contact any elected official or student leader, the Northern California Program Director, or download the Fundraising Manual at www.jsa.org/downloads. The key to any successful fundraising campaign is starting early, so discuss fundraising plans right away!

JSA also provides an effective online fundraising application that allows chapters to raise money online as a team. Visit the “Chapters” section under “About JSA” and click on “Fundraising for Your Chapter” on the navigation bar on the right or visit http://jsa.org/about/chapters/fundraising-for-your-chapter/.

**Scholarships:** The Southeast State is pleased to offer scholarships to help students in need attend our overnight conventions. Students who would like to apply for a Spring State scholarship, please go to https://jsa.wufoo.com/forms/2018-southeast-fall-state-scholarship-application/ and fill out the scholarship application. Applications will close on Tuesday, **September 18th**, Applicants and their Teacher/Advisors will be notified of the scholarship awarded on **Thursday, September 20th**.

**Elections:** The feature event of Spring State is the election of next year’s Northern California Junior State officers.

Please see the information included in the next section about election procedures so you and your chapter members know how the Spring State election process will work.

Register online at www.jsa.org/MyJSA

**Early Registration Deadline:** **Sept. 25th**

**Final Registration Deadline:** **Oct. 9th**
Outlined below are mandatory responsibilities of Teacher/Advisors at a Junior State convention. Please review them and send in this form, signed, with your chapter’s registration materials. Ultimately, you are responsible for the students in your chapter so please check with your administration regarding rules pertaining to school trips.

1. **BE PRESENT.** In compliance with school or school district rules, Teacher/Advisors must be present onsite and readily available throughout the entirety of the convention to accompany students and keep students on track and motivated. Please make sure to bring contact information for all students and establish a way students can get in touch during the convention by cell phone and/or at specified locations and times.

2. **CHECK-IN.** Teacher/Advisors must be present with the student chapter leader at registration to check in the chapter. Teacher/Advisors will receive their students’ guest room keys for distribution in the afternoon.

3. **TEACHER/ADVISOR MEETING.** All adult chaperones MUST attend the mandatory Teacher/Advisor meeting with the Junior State staff to review convention logistics, convention and hotel rules, and receive important announcements for the weekend.

4. **CHAPTER CAUCUS.** After dinner, all students must check in with their Teacher/Advisor(s). Teacher/Advisors must take roll at the caucus and report any missing students to the Junior State staff. Teacher/Advisors should review the convention rules, curfew time, and morning checkout time with the students. All students must remain inside the hotel after the chapter caucus.

5. **NIGHTTIME ACTIVITIES SUPERVISION.** Teacher/Advisors must sign up for shifts in the evening to monitor hotel hallways, common areas, or nighttime activities including chaperoning the dance. Teacher/Advisors will receive instructions for signing up to supervise these areas and activities at the mandatory Teacher/Advisor meeting.

   a. JSA has adult supervisors on the floors in the evening to keep noise levels down and to discourage misconduct. Most Teacher/Advisors volunteer to patrol the floor that houses their own students. If witnessing students involved in any inappropriate conduct, do not hesitate to intervene. If uncomfortable dealing with students from other high schools, feel free to notify the Teacher/Advisor from that school or Junior State staff to take care of the situation. During the dance, Teacher/Advisors monitor the doors and check name tags to ensure ONLY JUNIOR STATE STUDENTS attend the dance.

6. **CURFEW – ROOM CHECKS.** Teacher/Advisors must go to all of their students’ rooms at curfew and check that all their students are present. Students missing curfew may be sent home. Please pass along any announcements for the next day at this time.

7. **CHECKOUT.** All students must check out of their rooms by 9:00 a.m. Sunday morning. Luggage storage has been arranged. Teacher/Advisors should meet their students in the morning at 9:00 a.m. to collect their room keys and make sure that all students have checked out of their rooms. Teacher/Advisors may turn keys in at the Junior State registration table.

8. **MEDICAL EMERGENCIES/DISCIPLINARY ISSUES.** The Junior State staff at the convention will contact Teacher/Advisors if a member of their chapter has a serious medical issue or violates major convention rules. Teacher/Advisors will coordinate with the Junior State staff to arrange medical attention for students, notify parents/guardians and school officials if necessary, and send students home for serious rules violations. **PLEASE REVIEW ALL THE CONVENTION RULES IN THIS PACKET AND DISCUSS THEM WITH STUDENTS BEFORE THE CONVENTION.**

9. **MORAL AND EDUCATIONAL SUPPORT.** Teacher/Advisors can provide valuable moral support to students. If a student is a main participant of a debate, or is planning to make a subsequent speech, Teacher/Advisors can give them a boost just by attending their debate. Since many students use the time just prior to their debate to refine their argument, Teacher/Advisors can also provide educational assistance through providing advice or answering questions before a debate. Discussing a debate and their student’s performance after it is over can also help students understand any points they missed or clarify any misinformation.

I have reviewed the above responsibilities and agree to faithfully execute the duties required of me as a Teacher/Advisor at a Junior State Convention.

CONVENTION CHECKLIST

Use this convention checklist to help plan and get your chapter to Spring State. Remember, many of these steps take time so start planning early!

1. Get School Approval
   ____ Find out and follow the procedure for obtaining school approval for the trip. (START THIS NOW!!)
   ____ Give a copy of the convention flyer to the Student Activities Director.

2. Publicize
   ____ Pass out flyers to interested students. Tell everyone to take the flyer home and show their parents.
   ____ Distribute flyers to teachers who may know of other interested students.
   ____ Post flyers around campus. Write the name and email of a person for interested students to contact.

3. Register and Pay
   ____ Find out the procedure for obtaining a school check or purchase order for the entire chapter's registration cost. If the school cannot do this, a Teacher/Advisor or parent can write the check. If this occurs, tell chapter members to whom they should make their checks payable. JSA cannot accept individual checks from every student.
   ____ Put the cost you are charging for Spring State on the Student Permission and Registration Form and pass out registration packets to all interested students. If they don’t already, have them create MyJSA accounts.
   ____ Set a deadline for returning registration checks and permission forms. This deadline should be at least ONE FULL WEEK before the Sept. 25th early registration deadline. Please review all forms for accuracy and completion prior to submittal!
   ____ Collect registration and permission forms. Make sure every student has gone over the permission forms with their parents and has returned their permission form signed.
   ____ Collect checks, process them with the school, Teacher/Advisor, or parent, and obtain one inclusive check for all registration costs and membership dues (for students who have not already paid dues for the 2018-2019 school year).
   ____ Register your chapter at MyJSA. (See next page.)
   ____ Scan and send, or make copies and mail, the chapter registration form, payment, student permission forms and Teacher/Advisor Responsibility Form to the JSA office. Make a copy of each and keep one for the Chapter President and one for the Teacher/Advisor. Make sure registration materials are submitted by then registration deadline.

4. Arrange Transportation
   ____ Determine how the chapter will travel to the hotel.
   ____ If the chapter is large enough, arranging a bus through the school district or an outside bus company may be necessary. If doing this, START EARLY. The process could take a few weeks.
   ____ If the chapter decides to carpool, make sure to find enough Teacher/Advisor or parent drivers to accommodate the entire chapter. Remember: No students may drive cars to JSA conventions.
   ____ Set a time and place for everyone to meet before the convention and the estimated time of arrival for drop off after.

5. Have Pre-Convention Meetings
   ____ Invite all students, their parents, and Teacher/Advisors to a pre-convention meeting (scheduled during the late afternoon or evening if possible). Go over transportation, what to bring, the format of the convention, and the convention rules.
   ____ Discuss appropriate behavior and expectations during the convention.
   ____ Have another meeting for the chapter to debate or discuss one or more of the debate topics for the convention.

6. What to Bring With You to the Convention
   ____ A cell phone list of all students and a list of emergency telephone numbers for parents.
   ____ All balances must be paid before the convention, but in the event the chapter has any outstanding convention charges, contact the Northern California Program Director Dan Hess at (650) 393-7644 and make payment arrangements.

Payment Options

School Check: ONE inclusive check to the Junior State of America from the school. If the school cannot process the check before the deadline, please send documentation (i.e. purchase order) showing you have arranged with the school to send the check, plus a school guarantee that payment will be received before the convention.

Personal Check: ONE inclusive check to the Junior State of America from a parent or Teacher/Advisor (students pay them).

Purchase Order: A school purchase order (must be payable within 30 days of the registration deadline).

Credit Card: JSA will accept credit card payments for registration by phone or online. If you would like to pay by credit card online, please contact Dan Hess, the Northern California Program Director.
The following step-by-step guide walks you through the online registration process. If you run into any problems, or if you have any questions, please do not hesitate to contact the Southeast Program Director Tracy Getselman by phone at (202) 591-3722 or by email at tgetselman@jsa.org.

Step 1: Log into MyJSA. Go to the “My Events” tab, and under “Register for a New Event” select “Fall State” and then click “Start registration.”

- This will create a new event on the My Events page. Click on the link and select the student chapter leader and primary attending Teacher/Advisor. Please do this as soon as the chapter has permission to attend (even before knowing how many students will attend), as this helps JSA plan attendance.
  - Please note: If you have a “My Chapter” tab but you do not see a registration option under “My Events”, contact the JSA office at (800) 317-9338 or email jsa@jsa.org and a staff member will add this option to your account.

Step 2: Update the chapter roster.

- Make sure new and returning chapter members are listed under the chapter’s membership roster in the JSA database. Ask all new and returning members to create or update their MyJSA account at jsa.org/MyJSA.
  - Suggestion: Bring a laptop to the first few meetings and have members create or update their MyJSA accounts.

Step 3: Collect registration forms, permission forms, and payment.

- During September, collect Fall State registration forms, permission forms, and payments from all members who will attend the convention.
  - Suggestion: Use a spreadsheet to keep track of who has paid and/or submitted the registration forms.

Step 4: Create a rooming list.

- Once a list of members attending is finalized, create a rooming list putting all male students in one set of rooms and female students in another.
  - Please note: Please try to put three to four students in each room. If you have a room with fewer than four students, students from another school may be added if that space is needed. You would be notified in advance if there is a high probability of this happening to any of your chapter’s rooms.

Step 5: Log in and complete your chapter registration.

- The online registration form will ask for the information you have assembled, namely, the students and Teacher/Advisors for your group and your rooming list. Once all the information is entered correctly, click “Submit.”
  - Please note: You select all students and Teacher/Advisors from the chapter roster, so please make sure the roster is complete and updated as described in Step 3.

Step 6: After submitting your chapter registration online, a preliminary invoice will be created showing the total amount due and a list of students and Teacher/Advisors attending.

- Review the payment options and arrange to pay before the convention.
  - Dan Hess, the Northern California Program Director, will review and confirm your registration details and then send you a final invoice.

Step 7: Send in your chapter’s convention payment (including membership dues if applicable), signed student permission forms, signed Teacher/Advisor Responsibility Form(s), and any donations to the Northern California Scholarship Fund to the JSA office in Burlingame.

- Please note: If paying for the convention by credit card, please contact the Northern California Program Director to ensure you’ve received the correct link to pay online or feel free to call the JSA office and supply the credit card information over the phone.
