JSA. BE THE PEOPLE

Spring State 2020

The Dawn of a Decade: Discussing America's Past, Present, and Future

On April 18-19, the Texas Junior State of America will hold its annual Spring State Convention at the JW Marriott Hotel on Westheimer by the Galleria. The Texas student leaders hope you can join hundreds of other students and teachers from across the Texas for an exciting educational experience at this weekend-long examination of the promises and divisive rhetoric we heard throughout this critical election cycle and how those promises might translate into policies that can unify the country.

Spring State kicks off the Junior State of America year-round program and is the highlight of the Spring semester. Through engaging in spirited debates, thought talks, simulations, and other activities, Spring State will give students the unique opportunity to think critically, express their opinions, and challenge the opinions of others in a tolerant, supportive atmosphere. Attendees will also have the opportunity to meet students from other schools throughout the region through a variety of other events, including nighttime activities and a dance on Saturday night.

At a time when party polarization continues to increase, the development of a new generation of active citizens who can debate, compromise, and think critically about controversial economic, social, domestic, and international policies that divide the American public, elected representatives, and presidential candidates alike is more important than ever. We hope you leave Spring State 2020 with a broader perspective and deeper understanding of how our country plans to move forward in the wake of one of the most consequential elections of our lifetime.

TEACHER/ADVISOR CONVENTION RESPONSIBILITIES

The Junior State of America sincerely thank you for accompanying your chapter to the upcoming convention. We appreciate your dedication to furthering the goals of JSA and to increasing the political awareness of today's youth. Without your help, students would not be able to attend conventions like these and would miss an opportunity to debate and discuss controversial issues, learn more about the democratic process, and develop leadership skills.

Outlined below are mandatory responsibilities of Teacher/Advisors at a Junior State convention. Please review them and send in this form, signed, with your chapter's registration materials. Ultimately, you are responsible for the students in your chapter so please check with your administration regarding rules pertaining to school trips.

1. **BE PRESENT.** In compliance with school or school district rules, Teacher/Advisors must be present onsite and readily available throughout the entirety of the convention to accompany students and keep students on track and motivated. Please make sure to bring contact information for all students and establish a way students can get in touch during the convention by cell phone and/or at specified locations and times.
2. **CHECK-IN.** Teacher/Advisors must be present with the student chapter leader at registration to check in the chapter. Teacher/Advisors will receive their students' guest room keys for distribution in the afternoon.
3. **TEACHER/ADVISOR MEETING.** All adult chaperones MUST attend the mandatory Teacher/Advisor meeting with the Junior State staff to review convention logistics, convention and hotel rules, and receive important announcements for the weekend.
4. **CHAPTER CAUCUS.** After dinner, all students must check in with their Teacher/Advisor(s). Teacher/Advisors must take roll at the caucus and report any missing students to the Junior State staff. Teacher/Advisors should review the convention rules, curfew time, and morning checkout time with the students. All students must remain inside the hotel after the chapter caucus.
5. **NIGHTTIME ACTIVITIES SUPERVISION.** Teacher/Advisors must sign up for shifts in the evening to monitor hotel hallways, common areas, or nighttime activities including chaperoning the dance. Teacher/Advisors will receive instructions for signing up to supervise these areas and activities at the mandatory Teacher/Advisor meeting.
 - a. JSA has adult supervisors on the floors in the evening to keep noise levels down and to discourage misconduct. Most Teacher/Advisors volunteer to patrol the floor that houses their own students. If witnessing students involved in any inappropriate conduct, do not hesitate to intervene. If uncomfortable dealing with students from other high schools, feel free to notify the Teacher/Advisor from that school or Junior State staff to take care of the situation. During the dance, Teacher/Advisors monitor the doors and check name tags to ensure ONLY JUNIOR STATE STUDENTS attend the dance.
6. **CURFEW -- ROOM CHECKS.** Teacher/Advisors must go to all of their students' rooms at curfew and check that all their students are present. Students missing curfew may be sent home. Please pass along any announcements for the next day at this time.
7. **CHECKOUT.** All students must check out of their rooms by 9:00 a.m. Sunday morning. Luggage storage has been arranged. Teacher/Advisors should meet their students in the morning at 9:00 a.m. to collect their room keys and make sure that all students have checked out of their rooms. Teacher/Advisors may turn keys in at the Junior State registration table.
8. **MEDICAL EMERGENCIES/DISCIPLINARY ISSUES.** The Junior State staff at the convention will contact Teacher/Advisors if a member of their chapter has a serious medical issue or violates major convention rules. Teacher/Advisors will coordinate with the Junior State staff to arrange medical attention for students, notify parents/guardians and school officials if necessary, and send students home for serious rules violations. PLEASE REVIEW ALL THE CONVENTION RULES IN THIS PACKET AND DISCUSS THEM WITH STUDENTS BEFORE THE CONVENTION.
9. **MORAL AND EDUCATIONAL SUPPORT.** Teacher/Advisors can provide valuable moral support to students. If a student is a main participant of a debate, or is planning to make a subsequent speech, Teacher/Advisors can give them a boost just by attending their debate. Since many students use the time just prior to their debate to refine their argument, Teacher/Advisors can also provide educational assistance through providing advice or answering questions before a debate. Discussing a debate and their student's performance after it is over can also help students understand any points they missed or clarify any misinformation.
10. **Because Teachers/Advsiors are required to chaperon students and respond to emergencies at any/all times, consumption of alcohol or use of any illegal drugs by Teacher/Advisors during the convention is strictly prohibited.**

I have reviewed the above responsibilities and agree to faithfully execute the duties required of me as a Teacher/Advisor at a Junior State Convention.

JSA ACTIVITIES

Debates

Debates serve as the cornerstone of the Junior State by giving delegates a forum to express their views in an orderly fashion, while promoting a clash of ideas that leads to deeper understanding of controversial issues. Using parliamentary debate style, delegates develop political awareness, attitudes and public speaking skills through participation.

JSA debates center around “resolutions” that outline the issue being discussed. For example, “Resolved, Social Security should be privatized.” Debates begin with six-minute opening speeches by the main affirmative and negative speakers. These two debaters are selected prior to the convention; they research and prepare their arguments beforehand. A pre-selected student moderator guides the action following the opening speeches, where any student in the audience may volunteer for three minute subsequent speeches in support of either side.

Students vote for a “Best Speaker” at the end of each debate. The main focus of JSA debate is, however, on persuading the audience and imparting a greater understanding of the issues involved, rather than competition between speakers.

Debate Procedure

1. Pro Opening Speech, *6 minutes*
2. Con Opening Speech, *6 minutes*
3. Subsequent Pro Speech, *3 minutes*
4. Subsequent Con Speech, *3 minutes*
5. (More Subsequent Pro and Con Cycles)
6. Move to Previous Question
7. Con Closing Speech, *3 minutes*
8. Pro Closing Speech, *3 minutes*
9. Vote on Resolution
10. Best Speaker Ballots

Debate Motions:

Move to...

- Previous question
- Extend speaker’s time
- Ask a two-part question
- Suspend the rules and have another pro/con speaker
- Caucus

Purpose

- Ends subsequent speech cycle and returns to main speakers for closing
- Allows the speaker to speak for 30 seconds or 1 minute longer
- Allows questioner to ask a speaker two questions in a row
- If nobody wants to speak subsequently for a certain side, you can skip and move to the other side. Try to avoid this though!
- This opens the debate to a thought talk

Thought Talks

Thought talks are student-led discussions on pressing issues or questions. These activities don’t have the formal structure of a debate and allow students to explore issues in-depth, in a less confrontational setting. A moderator guides the participants by posing questions and offering facts about the topic; however, students will have an open opportunity to express their thoughts and let their comments take the discussion in many different directions. No main speakers are chosen for Thought Talks, and no awards are given. This pressure-free atmosphere engages students very differently than debates and helps students gain confidence with their public speaking skills.

Keynote Speakers and Political Fairs

Distinguished politicians, statespersons, journalists, and public policy experts across the political spectrum are invited to address JSA conventions. Delegates gather for opening and closing sessions where these high profile speakers address the students and answer their questions. JSA members have met and posed questions to key personalities from across the entire political spectrum.

In addition, some conventions feature Political Fairs that enable students to meet representatives of lobbying and political groups and get to ask questions regarding their policies and views. In recent years, our Political Fairs have included groups like the National Rifle Association & Handgun Control Inc., NARAL Pro-Choice America & the National Right to Life Organization, the Republican, Democratic, Green, Libertarian and other political parties.

Social Activities

JSA conventions combine the intellectual stimulation of intense political dialogue with some activities in the evenings after dinner time that are just plain fun. Students get a chance to relax in less formal settings including dances, quiz bowl, impromptu debates, and relax with their friends at a JSA Lounge among others. JSA conventions let students meet others with similar interests and diverse talents which helps them build a life-long network of friends.

Other Activities

In addition to debates and thought talks, JSA conventions include a variety of other activities. Spring State conventions feature dramatic and exciting “political convention style” elections for Junior State offices. Mock trials allow delegates to explore our nation’s judicial system and examine how legal and constitutional controversies are resolved in the United States. Simulations of city council and school board meetings help students grapple with local governance issues. These and various other political seminars give students a wide-range of ways to get involved.

CONVENTION CHECKLIST

Use this convention checklist to help plan and get your chapter to Spring State. Remember, many of these steps take time so start planning early!

1. Get School Approval

- Give a copy of the convention flyer to the Student Activities Director.
- Find out and follow the procedure for obtaining school approval for the trip.

2. Publicize

- Pass out flyers to interested students. Tell everyone to take the flyer home and show their parents.
- Distribute flyers to teachers who may know of other interested students.
- Post flyers around campus. Write a contact and email for interested students.

3. Register

- Find out the procedure for obtaining a school check or purchase order for the entire chapter's registration cost. If the school cannot do this, a Teacher/Advisor or parent can write the check. If this occurs, tell chapter members to whom they should make their checks payable. **JSA cannot accept individual checks from every student.**
- Pass out registration packets to all interested students.
- Set a deadline for returning registration checks and permission forms. This deadline should be before the registration deadlines.
- Collect checks, process them with the school, Teacher/Advisor, or parent, and obtain one inclusive check for all registration costs and membership dues (for students who have not already paid dues for the 2020-2020 school year).
- Collect registration and permission forms. Make sure every student has gone over the permission form with their parents and has returned a signed permission form.
- Fill out the Chapter Registration Form and Hotel Rooming List. Make sure all names are spelled correctly. The Teacher/Advisor must sign off on the Hotel Rooming List. Scan and send, or make copies and mail, the chapter registration form, hotel rooming list, payment check, and permission forms to the JSA DC office. Make a copy of each and keep one for the Chapter President and one for the Teacher-Advisor. Double-check all registration materials for accuracy. Make sure registration materials are submitted by then registration deadline.

4. Arrange Transportation

- Determine how the chapter will travel to the hotel.
- If the chapter is large enough, arranging a bus through the school district or an outside bus company may be necessary. If doing this, **START EARLY**. The process could take a few weeks.
- If the chapter decides to carpool, make sure to find enough Teacher/Advisor or parent drivers to accommodate the entire chapter. **Remember: No students may drive cars to a JSA conventions.**
- Set a time and place for everyone to meet before the convention and the estimated time of arrival for drop off after the convention.

5. Have Pre-Convention Meetings

- Invite all students, their parents, and Teacher/Advisors to a pre-convention meeting (scheduled during the late afternoon or evening if possible). Go over transportation, what to bring, the format of the convention, and the convention rules.
- Discuss appropriate behavior and expectations during the convention.
- Have another meeting for the chapter to debate or discuss one or more of the debate topics for the convention.

6. What to Bring With You to the Convention

- A cell phone list of all students and a list of emergency telephone numbers for parents.
- All balances must be paid **before** the convention, but in the event the chapter has any outstanding convention charges, contact the Texas Program Director Steve Bayne at (650) 393-7644 and make arrangements to pay the outstanding balance.

ONLINE CHAPTER REGISTRATION GUIDE

The following step-by-step guide walks you through the online registration process. If you run into any problems, or if you have any questions, please do not hesitate to call the Texas Program Director Steve Bayne at (510) 788-5239.

- Step 1:** *Log into MyJSA. Go to the My Events tab, and under "Register for a New Event" select "Spring State" and then click "Start registration."* This will create a new event on the My Events page. Click on the link, and select the student chapter leader and primary attending Teacher/Advisor. Please do this as soon as the chapter has permission to attend (even before knowing how many students will attend), as this allows JSA to plan for attendance. If you have a My Chapter tab but you do not see a registration option under My Events, contact your program director at sbayne@jsa.org and a staff member will add this option to your account.
- Step 2:** *Update the chapter roster.* Make sure new and returning chapter members are listed under the chapter's membership roster in the JSA database. Ask all new and returning members to create or update their MyJSA account at jsa.org/myjsa. Bring a computer with an internet connection to the first few meetings and have members create or update their accounts. **All MyJSA information should be complete and accurate.**
- Step 3:** *Collect permission & registration form and payment* from all members who will attend the convention. Keep track of who has paid and who has submitted registration and permission forms using a spreadsheet.
- Step 4:** *Create a rooming list.* Once a list of members attending is finalized, create a rooming list and fill these rooms in online.
- Step 5:** *Log in and complete the chapter registration.* The online registration form will ask for the information that has been assembled above, namely, the students and Teacher/Advisors for your group, the convention pricing packages for each, and your rooming list. The students and Teacher/Advisors are selected from the chapter roster, so make sure the roster is complete as described in Step 3. Once all the information is entered correctly, click "Submit."
- Step 6:** *After submitting registration online, a preliminary invoice will be created showing the total amount due and the chapter list.* Steve Bayne, the Texas Program Director, will review and confirm registration details and then send a final invoice. Review the payment options and arrange to pay before the convention.
- Step 7:** *Send in the payment, membership dues (if applicable), signed student permission & registration and form, and signed Teacher/Advisor Responsibility form to the Junior State of America office.* These can be scanned copies.

Payment Options

- School Check:** ONE inclusive check payable to The Junior State of America from the school. If the school cannot process the check request before the registration deadline, send a copy of the documentation showing you have arranged with the school to send the check, **plus** a guarantee from the school that payment will be received **before** the start of the convention.
- Personal Check:** ONE inclusive check payable to The Junior State of America from a parent or Teacher/Advisor (students must pay that individual).

THE ERNEST A. ROGERS CHAPTER OF THE YEAR AWARD

Each year at Spring State conventions across the nation, the Junior Statesmen Foundation recognizes the most outstanding chapters in each of its jurisdictions. The award is named in honor of JSA's founder, Professor Ernest Andrew Rogers, who is more commonly referred to as "Prof. Rogers." The idea for what is now known as the Junior State was first conceived by Prof. Rogers, headmaster of the Montezuma School in California's Santa Cruz Mountains in the early 1930s. Rogers had long maintained that one of the primary needs of a democracy was to train its youth in the essentials of good government. Rogers believed that without an informed populace, a democracy is worthless.

On an autumn evening in 1934, Prof. Rogers put the question before his students. Someone suggested a junior government -- an educational project to help create the statesmen and citizens of the future. Excited by the idea, the students began to set out the goals for their junior government. Non-partisan, non-sectarian, non-secret, and non-profit, the organization would rise above the evils of propaganda and dirty politics. Students would not just learn about democracy, but would practice it among themselves. The Chapter of the Year Award is given to schools that fulfill the ideals envisioned by Prof. Rogers.

Rewards for Winning Chapter of the Year

1. An engraved plaque honoring the chapter.
2. A \$1,000 scholarship to a Junior Statesmen Summer School
3. A full scholarship to a Junior Statesmen Symposium for one (1) chapter member.
4. One free private room to the chapter's Teacher/Advisor to all conventions the following year.
5. Become eligible for the Junior State of America's National Civic Impact Award.

The National Civic Impact Award

The Junior State of America annually recognizes the chapter that has had the biggest impact on increasing the level of civic awareness and engagement at their school with the National Civic Impact Award. The award goes to one of the 10 chapters chosen as their state's Chapter of the Year. The winning chapter receives:

1. An engraved plaque honoring the chapter.
2. A \$500 stipend reward given to the chapter's Teacher/Advisor.
3. A \$2,000 grant to the chapter to continue their civic impact and engagement projects.

How to be Recognized as the "Chapter of the Year"

The Chapter of the Year is chosen at each state's Spring State Convention. Chapter Presidents and Teacher/Advisors submit an essay and make a 6-8 minute presentation during a special activity block at Spring State to promote their chapter's candidacy for the Chapter of the Year Award.

Chapter of the Year Application Process

1. Review the "Criteria for Judging the Most Outstanding Chapter" listed below.
2. Submit a complete Chapter of the Year application and essay written by the Chapter President and Teacher/Advisor describing ways in which the chapter has been extraordinary through their activities, events, and participation in the community to your state's Program Director at least one week prior to Spring State.
3. At Spring State, the Teacher/Advisor and the Chapter President or her/his designee will give a 6-8 minute presentation to a panel of Teacher/Advisors and Junior State staff who will decide which chapter will be the Chapter of the Year.
4. Presentation Requirements
 - a. Chapters should prepare and submit a PowerPoint slideshow or video and have it ready in CD, DVD, or USB memory device.
 - b. The presentation should describe your chapter's achievements and include photos, videos, press clippings, text, charts, and any other audio/visual aids that help to convey the chapter's achievements;
 - c. The student should be able to operate all equipment. Junior State will provide an LCD projector and laptop PC computer. Students should contact their state's program director to ensure that the equipment is compatible for your presentation.
 - d. Videos should not last more than five minutes so that there is time for questions and answers.

Description of the Ideal Junior State Chapter.

The ideal JSA chapter is the center of nonpartisan political activity and awareness on campus. A chapter that is doing the best possible job of educating, involving, and representing the youth of their school and community is living up fully to the goals of the Junior State of America. Outstanding JSA chapters have members who diligently plan, regularly attend, and actively participate in chapter, regional, and state activities such as: chapter conferences, regional one-day conferences, and JSA overnight conventions. Typical chapter activities include student debates of controversial issues, guest speakers, mock trials, candidate debates, and voter education and registration drives. Outstanding JSA chapters go out of their way to encourage involvement in, and understanding of, the democratic process, and participation in programs sponsored by the Junior State of America and the Junior Statesmen Foundation.

Criteria for Judging the Most Outstanding Chapter

1. *Political Awareness*

- Chapter hosts events such as debates, thought-talks, guest speakers, simulations such as mock trials and mock elections, and mini-conventions that are politically relevant and raise the level of engagement of chapter members and school.

2. *Civic Engagement/Activism –*

- Participation in school governance, school board, and city council meetings.
- Conducts voter registration drives and letter writing campaigns to local, state, or federal representatives.
- Works with elected officials to raise awareness of student concerns and offer action plans, or policy recommendations.

3. *Leadership –*

- Chapter members exemplify leadership qualities in their school, community, and at JSA events through active participation as speakers/moderators in debates, and thought talks.

4. *Community Service –*

- Chapter contributes to the betterment of their city by participating and volunteering at charitable organizations such as food banks, care facilities, and community centers.

5. *JSA Participation –*

- Regularly attends JSA conventions, regional one-day conferences, and chapter conferences.
